

THE GREAT KEI TREK 2019: FOUR SPECIAL ANNOUNCEMENTS

Welcome to one of mountain biking's best kept secrets. **The Great Kei Trek.**

The scheduled dates are **2, 3 & 4 May 2019** (Thursday to Saturday – remember the 1st of May is a holiday, so you only need to take 2 days off work)

If you haven't heard about **The Great Kei Trek**, read on. If you have, well then best you just enter as spots for the 2019 edition are nearly fully subscribed.

The Great Kei Trek is a **3-day, 240km race/ride** that is something new and exciting on the MTB calendar.

This will definitely appeal to those who traditionally use the months of April or May for their "away-game". So if you are tired of doing the "same-old-same-old", or are still stuck on a waiting list and you are looking for something new, this is definitely something for you.

Entries are now open.

Special Announcement 1 – Only 50 team entries left

We have reached the halfway mark in terms of filling up our entries, so we **only have 50 team entries left**, and that's **with 7 months to go**. If you want to ride this unbelievable event, enter now to avoid disappointment.

We are pleased to announce that we have introduced a special payment plan where you can **pay off your entry fee in three equal instalments.**

Instead of paying R6 450 per person upfront, you will pay R2 150 per person over three months.

We get that things are tight out there, so we are doing our best to ensure that you get to do one of the best rides ever, without placing too much of a financial burden on yourself.

There are some terms and conditions, but no extra hidden costs, such as interest etc. The only proviso on this is that no refunds are allowed.

If you enter, you will be given the option of paying upfront, or paying in equal instalments.

Special Announcement 4 – Our 2019 Beneficiaries

We have just returned from a week-long trip down to the Eastern Cape, and I'm pleased to say that it is still as beautiful as ever. **Dean Bean, our Trail Boss** is hard at work and he has roped in more farmers and found some more interesting trails. So all is on track for a fun and exciting 2019 Great Kei Trek.

Whilst on our trip, we visited two schools in the Morgan Bay area that desperately need our help, and we have adopted them as our 2019 beneficiaries.

Ferndale Rural Primary School is situated just on the outskirts of Morgan Bay. I visited there recently and all I can say is that I was absolutely appalled by the state of the school. No running water, no facilities, no toilets, no school chairs, no walls between classrooms. A sad state. They don't even have a fridge to keep what little food they have cool.

There are just 79 children in attendance, and according to the principal of the school, government only gives the school R15 per child per term. That's just under R1200 a month. A sad and sorry state.

Ixgara Creche is situated in Morgan Bay in the township and is run and supported by the community in Morgan Bay. There are 45 children in attendance and all aged 5 and under. Their needs are not as pressing at Ferndale Rural Primary School, but they have a long way to go.

If you would like to support these schools in your personal capacity, or through your company, there is a pledge link when you enter, so please do give generously. Anything will make a difference to these kids.

Alternatively, please feel free to contact me – rob@leveragecorporation.co.za – to discuss. Your contribution will be greatly appreciated.

Plus as a “Corporate” we will be able to issue you with the necessary paperwork as the Creche is a **registered non-profit organisation**.
